YOUR WEDDING

Natural. Fun and Relaxed Photography

WELCOME

CONGRATULATIONS

on your engagement! I hope you'll tell me the story soon. I do enjoy a good engagement story!

I love capturing special moments and memories; it's the reason why I first picked up a camera when I was seven. Whether the moments are with your family, your new arrival or on your wedding day, each milestone is special and worth capturing.

I describe my style as natural, fun, and romantic. I love to shoot beautiful, relaxed, and genuine photographs that really celebrate you and your family.

I started my business 14 years ago and I haven't looked back since. It's been an amazing journey and I look forward to being a part of yours.

ABOUT ME

Hi! I'm Christina and I run Fish 2 Photography; a small business based in Preston, Lancashire. I specialise in documenting your most significant occasions.

I love photography; it has been a passion of mine since I was little. I remember picking up the family 35mm film camera and taking loads of photos, annoying my mother with random photos of family and the historic places we would visit on holiday. I guess I was just fascinated by suspending that specific moment in time - something I don't think I've ever lost. I still love taking photos and capturing those moments that will never come again.

In my downtime, I enjoy time with my husband and our children, my family and our close friends. I love creating arty stuff of every kind so I also do painting and anything else I can get my hands on.

I look forward to meeting you and capturing the moments that matter to you.

Christina

BOOKING WITH ME

It can be hard to know what you want from your wedding photography or how much of the day you would like me to be available for, but I'm happy to meet up and chat through your plans and ideas. I can help advise what package I think would work best for you, but of course the decision is yours!

Once you have decided upon your package, if we haven't already, it's nice for us to meet up for a brew and a chat. After this meeting I send over an invoice for a 20% deposit, a contract and a little questionnaire to fill out and return. Once I have this back your booking is finalised and your date is in my diary. Exciting!

Six weeks before your wedding date I will email you to organise a wedding meeting to go through your final plans, your timeline and any special details. Of course, if you have any questions before this you're more than welcome to contact me and I'll be happy to answer any queries. Your final balance payment is due two weeks prior to your wedding date.

A photograph of a wedding couple walking through a field of tall green grass and yellow wildflowers. The bride is wearing a white wedding dress and the groom is wearing a dark vest over a white shirt and a dark cap. They are holding hands and looking at each other. In the background, there are trees and a cloudy sky.

USB AND ALBUMS

With the option to personalise and choose your USB it means you can make your wedding even more 'yours'. With a choice of shape, colour and wording these beautiful handmade USBs are a lovely item to keep forever.

They come as standard with every package and you can upgrade to the larger boxes which have space to store small prints or even keepsakes.

Albums are available with some packages, but you can always add an album on to your package at any time or even order one after your wedding day. I have lots of choices and styles available and I design them just for you.
